

These durable, sleek and comfortable benches align in a pattern to create a stunning work of art. A great choice for areas of egress, as building codes require furniture to be fixed to the building. Hanging Garden is wall-mounted and perfect for areas requiring frequent floor maintenance. Mounting hardware is included. Ask for working drawings and information to develop wall specs for your projects.
Finish: Standard in maple. Custom walnut, cherry or custom wood available. Core Veneers: Standard maple. Frame Finish: Black, clear, white, silver. Custom upholstered seat available. Back Shape: High Left, High Right, Wave Back, Flat Back, High Center. Could be subject to custom veneer charge.

Dimensions:
W - 70" H - 35" D - 22.5" SH - 17.5"
